

Warm snow in Hyalite

Date

Wed, 01/15/2025 - 12:10

Activity

Ice Climbing

Things were really moving by mid morning. The trail along Unnamed Wall was buried in several places by wet slides as the wall warmed. Some were big enough to take you down. We did not see any movement on the other side of the valley.

Region

Northern Gallatin

Location (from list)

Hyalite - main fork

Observer Name

JJ
