

recent small wind slabs at Lionhead

Lionhead Ridge

Lionhead Range

3/9/2025

Code

SS-N-R1-D1-S

Elevation

9000

Aspect

E

Latitude

44.71450

Longitude

-111.31800

Notes

We rode out Lionhead Ridge and around the north end to the head of Targhee Creek. Skies started overcast, but cleared through the day as wind calmed from moderate to light out of the west and southwest.... there were two or three shallow small wind slabs below Lionhead Ridge.
